How To Make Money

There are plenty of men in Roswell who have gotten rich on real estate, and it is the easiest and only safe way to make money. Just for example, consider that 240 acre block of close in, tilled Hondo Land I have for immediate sale. It will double in value in a few months, as soon as the water is turned on. It is the best thing I have ever offered, and while it is a cash proposition, I can arrange terms if you would like it that way.
